## **Sharing Jesus Around the World: Cookes in Vanuatu**

Building houses, going to school in a tin shed and living next to an active volcano. All whilst sharing Jesus! This is "ordinary" life for the Cooke family.

In this week's Quiz Worx Home Delivery Extra, MAtt (and Scruff) speak with their friends the Cooke family about what life is like on the island of Tanna in Vanuatu.

We hope and pray it encourages you and your family to pray, and to be bold in proclaiming the Risen King Jesus where you are.
